

AN EXCLUSIVE EVENING WITH THE PORTLAND TIMBERS FC

Join us on Thursday, October 22,
for a unique event at the **Timbers
Performance Center** to support
youth sports scholarships!

Join the Portland Timbers FC and THPF as we *Pitch In for Youth*

Every child deserves the chance to play, grow, and thrive. Yet, many families in Washington County are priced out of vital youth sports. Since 1958, the Tualatin Hills Park Foundation (THPF) has worked to change that—and we invite you to be part of the solution.

As the philanthropic arm of THPRD, we raise private support to ensure financial barriers never prevent children from participating in sports and recreation.

We are proud to present ***Pitch In for Youth***, an elite, behind-the-scenes fundraiser:

Event:

An exclusive limited-attendance experience at the Portland Timbers Performance Center.

Date & Time:

Thursday, October 22, from 5:00 to 8:00 pm

Exclusivity:

Strictly capped at 50 guests and offering an insider look at professional soccer unavailable to the general public.

The Experience:

As a corporate partner, you and your guests will explore the inner workings of the club.

Our Goal:

We hope to raise \$50,000 to fund youth sports scholarships for 166 kids. In addition to granting us the use of their seldom-seen facility, the Timbers will generously match our goal on a 1:2 basis, meaning a total of \$75,000 to fund 250 youth sports access scholarships.

Thank you for considering a sponsorship!

Your support will make a profound difference for children you may never meet, but who will benefit for a lifetime from your generosity.

An Immersive Experience with the Timbers FC

You and your guests will enjoy a very special evening including:

Welcome Reception: Private cocktail hour, networking, Timbers memorabilia, and a premium bar.

Exclusive Presentation: Recognition during the program in the Timbers theater, featuring a panel discussion with Timbers staff.

Behind-the-Scenes Facility Tour: Access to the newly renovated Timbers Performance Center, including the boot room, training fields, and recovery rooms, led by Timbers players.

Executive Chef Dinner: Dine like a pro over a family-style dinner prepared by the Timbers' Executive Chef Rich Meyer, formerly chef de cuisine for the award-winning Higgins restaurant in downtown Portland.

Silent Auction: Featuring exclusive Timbers items and curated experiences.

About THPF

The Tualatin Hills Park Foundation (THPF) believes that nature, wellness, and community connection should be accessible to everyone— regardless of financial or physical circumstances.

Since 1960, we have served as the philanthropic partner to THPRD, Oregon's largest park and recreation district, serving 270,000 residents annually. We are committed to building a healthier, more inclusive, and deeply connected community where everybody plays.

Our Mission In Action

We work directly to remove systemic barriers so that all members of the greater Beaverton community— especially families facing economic hardships—can experience the life-changing benefits of recreation. Past key projects have included:

Camp Rivendale: An affordable summer day camp providing specialized programs for children and young adults with physical and developmental disabilities that has served more than 10,000 campers since 1984.

Mountain View Champion's Park: A premier 21-acre park in Aloha, made possible by capstone funding from THPF, which features fully inclusive, custom-designed facilities for adaptive sports.
